## Welcome to the 44<sup>th</sup> Tennant Creek Show

Events like the Tennant Creek & District Show are important days for our vast Barkly region. The show is an opportunity for everyone to come together from all of our towns, communities, stations and beyond, to relive old fond memories, and to create new ones with family and friends.

The show conjures up different memories for everyone, whether it's the fear you feel as you hold on tight to the rails of the Cha-Cha, the disappointment that you didn't quite hit the target to win the massive pink bunny, the moment of excitement as you hear the music of sideshow alley, the immense satisfaction of eating a dagwood dog or some freshly baked scones from the CWA ladies, the overwhelming sense of pride when you see that your entry has won 2nd place and so much more.

Like any small town, it is the people behind the scenes that make community events like this happen. We would like to thank each and every person and organisation that has been a part of the show over the years, it is because of these volunteers that such a remarkable achievement each year can be celebrated. Enjoy each and every moment the show has to offer, and remember, "It's just a great day out!"
